RAYMOND B. DAWBER, P.L.S. Professional Land Surveyor

PROFESSIONAL EXPERIENCE

2009 to **Robson Forensic, Inc.**

present *Associate*

Provide technical investigations, analysis, reports, and testimony towards the resolution of commercial and personal injury litigation involving land surveying, land transfers, easements, utility mapping, construction coordination, hydrographic surveying, GIS mapping and failure analysis.

2009 to **McKim & Creed**

present *Professional Land Surveyor Consultant*

Provide technical review and data processing for Hydrographic Survey Project(s) along the New Jersey Coast. Assist on Survey Vessel for the projects in the Cape Fear River in North Carolina.

2009 **Gahagan & Bryant**

Hydrographic Technician/Surveyor

Worked with the staff to perform hydrographic surveys for dredging, beach monitoring along with as-built topographic surveying for the Corps of Engineers and private clients.

2008 to **Brunswick Community College**

present *Adjunct Instructor*

Adjunct Instructor for surveying law in the colonial states, surveying 1 and 2, introduction to engineering technology and drafting. Provide instruction to students in the surveying technology programs. The main focus is to understand the concepts of surveying/boundary law in preparation for licensure as a land surveyor.

2004 to **ESP Associates, PA**

2008 *Survey Department Manager*

Managed, coordinated and developed a staff of 12 to 15 for various types of surveying and mapping projects. Implemented training standards and maintained constant communication to improve productivity while improving staff morale. Embraced new technology and focused on successful project completion. Developed start up hydrographic survey section project areas included local public agency projects, state and federal level agencies, numerous utility company acquisition surveys and easements along with other areas of surveying and mapping. Maintained excellent client interaction, negotiating and record keeping and worked closely with the corporate management on administration issues.
