

Robson Forensic

Engineers, Architects, Scientists & Fire Investigators

DANIEL J. ROBISON, AIA, NCARB Architect

PROFESSIONAL EXPERIENCE

2009 to **Robson Forensic, Inc.**

present *Associate*

Provide technical investigations, analysis, reports, and testimony toward the resolution of commercial and personal injury litigation involving building code compliance, design error claims, construction error claims, construction material and system failures, and professional design practice.

1987 to **Daniel Robison Architects, P.C.**

present *Owner/Principal*

Provide full architectural services on municipal, industrial, commercial, institutional, office and residential type projects. Provides design services, as well as:

- Construction / Project Owner Representation
- Programming / Needs Analysis
- Site Evaluations / Surveys
- Construction Cost Estimating
- Quantity and Existing Condition Surveys
- Interior Design
- LEED Services

1983 to **Daniel Robison Architect**

1987 *Principal Architect*

Responsible for design, construction documents, and construction administration for municipal, industrial, commercial, institutional, office and residential type buildings.

1981 to **Daniel K. Bleck Architects, P.C.**

1987 *Project Architect*

In charge of design and preparation of construction documents, specifications and project management for industrial, commercial and professional/office buildings.

1984 to **Roquette Corporation**

1985 *Project Architect*

Responsible for on-site construction documents and project management for development of Roquette's Gurnee, Illinois facilities.

1984 **College of Lake County**

Project Architect

Responsible for project management for masonry rehabilitation and water penetration project at the college's main campus, through Daniel K. Bleck Architects.

Robson Forensic

Engineers, Architects, Scientists & Fire Investigators

DANIEL J. ROBISON, AIA, NCARB Architect

1981 **Sutter & Sutter Architects, Ltd.**

Project Architect

Responsible for design and construction documents for institutional, commercial and residential type buildings.

1977 to **Rehder, Rothermel, Pekkarinen Architects, Inc.**

1981 *Architect*

Designed, construction documents and field observation for institutional, commercial, office and residential buildings.

PROFESSIONAL CREDENTIALS

Registered Architect: Illinois, Wisconsin, Indiana, Arizona

EDUCATION

M.S., Architecture; University of Illinois at Urbana, IL 1977

Thesis, Center for Architecture & Urban Studies, San Francisco, CA 1977

B.S., Architectural Studies; University of Illinois, Urbana, IL 1975

Continuing Education

American Institute of Architects approved educational programs:

Window Installation; Anderson Windows, 2009

Elevator Technology; Kone, 2009

Walkable Roof Deck Membranes; CSI, Duradeck, 2009

Upgrading School Facilities; multiple sponsors, 2009

When Disaster Strikes, Risk Management; Holmes Murphy & Assoc., 2009

Transparency, Literal and Sustainable, Glazing Systems; CSI, 2009

Intrinsic Materials, Fiber Cement Panels; James Hardie BP, 2009

Design Consideration of Large Brick Sizes; Belden, 2009

Specifying Silicone Sealants, DOW Corning, 2008

Lighting Controls for Health Care Applications; CSI, 2008

Engineered Wood Products for Specifiers; CSI, 2008

Channel Glass Wall Systems; CSI, 2008

Sound Attenuation; CSI, 2008

2008 Risk Management & Insurance Issues of Interest; Euclid Insurance, 2008

Intumescent Fire Retardant Coatings; No Burn, Inc., 2008

Segmental Retaining Wall Systems; Reading Rock, 2008

Building Information Modeling (BIM); IMI, 2008

Sustainable Design with Architectural Precast Concrete; IMI, 2008

Robson Forensic

Engineers, Architects, Scientists & Fire Investigators

DANIEL J. ROBISON, AIA, NCARB Architect

Cool Thermoplastic Roofing Systems; CSI, 2008
Examining the Newest Generation of Fire Retardant Woods; Viance, 2007
LEED and Fenestration; EFCO, 2007
Horizontal Sliding Doors, Fire Codes, & Emergency Egress; Won-Door, 2007
Moisture Management in Wall Assemblies; DuPont, 2007
How and Why Laminated Glass Solutions Meet Expanded Building Codes;
DuPont, 2007
Network Cabling Specifications and Installation; DuPont, 2007
The Art and Science of Good Ventilation; Broan/Nutone, 2007
Acrylic Foam Structural Glazing Tape; 3M, 2007
Design for Moisture Protection in Masonry Walls; ACM Chemistries, Inc., 2007
Top Ten Framing Errors, AIA, 2006
2006 Review Legal, Risk Management, Insurance Issues; Euclid Insurance, 2006
Structural Masonry Design; IMI, NCMA, 2006
Providing Fire Safety with Concrete Masonry; NCMA, 2006
Pursuing the Interactive Building Envelope; AIA, 2006
Getting On-Board with Building Information Modeling (BIM); AutoDesk, 2006
One Project but Many Seismic Solutions; DeYoung, 2006
Fiberglass Fenestration; AIA, 2006
Sustainable Rating Systems, Best Practices; AIA, 2006
Moisture Management in Residential Walls; AEC Daily, 2005
International Code Fundamentals; ICC, 2005
Risk Management for Design Professionals; Crisham & Kubes Ltd., 2005

COMMUNITY

Active member of the community and served on the Plan Commission, for the Village of Gurnee, for a period of ten years.

PROFESSIONAL MEMBERSHIPS

Construction Specification Institute (C.S.I.)
American Institute of Architects (A.I.A.)
National Council of Architectural Registration Boards (N.C.A.R.B.)
International Code Council (I.C.C.)
