

THE EXPERTS
Robson Forensic

MARK A. WEBBER
Board Certified Master Arborist

PROFESSIONAL EXPERIENCE

- 2012 to present **Robson Forensic, Inc.**
Associate
Provide technical investigations, analysis, reports, and testimony toward the resolution of commercial and personal injury litigation involving Arboricultural and Horticultural issues that include tree and branch failures, pruning practices, work and business practices, tree risk assessment practices, landscape design, dendrology, dendrochronology, wood decay, wood identification, weed control, plant selection, plant root-sidewalk interface, garden center operations, nursery production, fertility treatments, bee keeping, plant value determinations, maintenance, site drainage, hardscaping, parks, farming practices, bike/kike paths, retaining walls, street trees, herbicide injury, stone fruit, apple, small fruit, viticulture, vegetable production practices including organic and conventional means.
- 1997 to present **Mark Webber's Landscaping Company, Dayton, OH**
Founder/Co-owner
Started and actively manage a landscape design and build, tree, property-care, consulting and plant production nursery business.
- 1995 to 1997 **Tru-Gro Landscaping, Dayton, OH**
Owner/Manager
Directed sales and managed 25 plus employees doing tree and landscaping operations involving commercial and residential accounts.
- 1986 to 1995 **Farmer Dan's, Dayton Ohio**
Manager/Owner
Production and garden center sales of Bedding Plants, Cider, Christmas Trees, Nursery Stock, Stone Fruit, Apples, Pears, Raspberries, Blueberries and Vegetables. Started a landscape design and build division.
- 1984 to 1986 **Aichholtz Farms, Newtown, OH**
Manager
Responsible for pest control and took part in the production and harvesting, packaging, marketing and shipment of over 300 acres of vegetable and small fruit crops.
- 1983 **BASF Corp., Parsippany, NJ**
Research Assistant
Involved with implementing experimental trials of herbicides/fungicides on crops: Mint, Stone Fruits, Apples, Small Fruits, Soybeans, Wheat, Cotton and Christmas Trees.
- 1981 to 1984 **The Ohio State University, Columbus, OH**
Honey Bee Technician/Apiculture
Repaired equipment. Assisted with research data collection. Kept and maintained Honey Bee Colonies.

RETAINED

MARK A. WEBBER
Board Certified Master Arborist

- 1980 **Turkenburg Nursery**, Madison, OH
Intern
Worked in all phases of nursery plant propagation. Involved with the day-to-day operations.
- 1975 to **Day's Nursery**, Findlay, OH
1979 Worked in all phases of nursery production, landscaping installation, and sales.

PROFESSIONAL CREDENTIALS

Professional Arborist

Rhode Island

Minnesota

Maine: First Class Landscape Arborist

First Class Utility Arborist

New Jersey

Certified Tree Expert, Board of Tree Experts Jackson NJ

ISA Board Certified Master Arborist, International Society of Arboriculture, 2013-present (ISA Certified Arborist, 1998-2013)

Expertise in: Abiotic Disorders; Biology; Biotic Disorders; Plant Identification and Selection; Soil Science; Climbing, Rigging, and Removal; Diagnostic Process; Installation Practices; Plant Health Care; Pruning; Soil Treatment; Support and Protection; Water Relations and Irrigation; Inventory and Management Plans; Plant Appraisal; Risk Assessment; Safety; Right-away Management (ROW), Tree Preservation and Wildlife Protection.

Ohio Commercial Pesticide Applicator 6A, 6C

Wildlife Protector Certification, Wildlife Training Institute, 2014-present

Tree Risk Assessment Qualified (TRAQ), International Society of Arboriculture, February 2013-present

Master Nursery Landscape Technician, Ohio Nursery & Landscape Association (ONLA), Columbus, OH, 2005-present

Expertise in three areas of specialization: Core basics of plant science, Garden Center Management, Plant Grower and Landscape operations and management. Once a person successfully obtains all three specializations, they are granted the Master Technician status.

TechArborA, designated by the Arboricultural Association, United Kingdom

The only Board-Certified Master Arborist in the United States that is designated as a TechArborA in the United Kingdom as of 10/28/15.

EDUCATION

AAS, BS, Horticultural Science, Minor Ag. Business, The Ohio State University, Columbus, OH, 1984

MARK A. WEBBER
Board Certified Master Arborist

Continuing Education

Scolytid Beetles and Fungal Symbionts, Western Chapter ISA, May 2017
Bur Oak Blight Management, International Society of Arboriculture, May 2017
Urban Trees and the Law, University of Massachusetts Extension, May 2017
