

THE EXPERTS Robson Forensic

MARK A. WEBBER, BCMA, TRAQ, LTE #639, TechArborA, CPH, OCMNT
Board Certified Master Arborist

PROFESSIONAL EXPERIENCE

2012 to present **Robson Forensic, Inc.**
Associate

Provide technical investigations, analysis, reports, and testimony toward the resolution of commercial and personal injury litigation involving Apiculture, Arboricultural, Botany, and Horticultural issues.

Apiculture: bee keeping practices including, public safety, worker safety, pollination services, honey production, sudden colony collapse, effects of pesticides and the keeping of bees in urban centers.

Arboricultural: tree failures including branch, trunk, sudden branch drop, uproot and others. Municipal tree inventory practices, pruning practices, cabling, propping and bolting practices, effects of hardware installed into trees, work, and business practices, cutting practices, equipment use and operation, tree risk assessment practices, tree-root-hardscape interface, tree appraisals, dendrology, dendrochronology, wood decay, wound closure, and wood identification.

Botany: algae, moss, and plant identification, life cycle, structure and growth conditions.

Horticulture: plant failure caused by abiotic and biotic conditions, plant identification, plant selection, plant value determinations, planting and establishing plants, fruit & nut drop management, landscape design, garden center operations, nursery production, work and business practices, fertility & pesticide use and application, soils, stone fruit production, apple production, small fruit production, viticulture, vegetable production, weed control, maintenance, site drainage, hardscaping, parks, farming practices, bike/hike paths, retaining walls, street trees, herbicide injury, irrigation practices, and methods including organic and conventional means.

1997 to present **Mark Webber's Landscaping Company, Dayton, OH**
Founder/Co-owner

Started and actively manage a landscape design and build, tree, property-care, consulting and plant production nursery business.

1995 to 1997 **Tru-Gro Landscaping, Dayton, OH**
Owner/Manager

Directed sales and managed 25 plus employees doing tree and landscaping operations involving commercial and residential accounts.

1986 to 1995 **Farmer Dan's, Dayton Ohio**
Manager/Owner

Production and garden center sales of Bedding Plants, Cider, Christmas Trees, Nursery Stock, Stone Fruit, Apples, Pears, Raspberries, Blueberries and Vegetables. Started a landscape design and build division.

THE EXPERTS
Robson Forensic

MARK A. WEBBER, BCMA, TRAQ, LTE #639, TechArborA, CPH, OCMNT
Board Certified Master Arborist

- 1984 to 1986 **Aichholtz Farms**, Newtown, OH
Manager
Responsible for pest control and took part in the production and harvesting, packaging, marketing and shipment of over 300 acres of vegetable and small fruit crops.
- 1983 **BASF Corp.**, Parsippany, NJ
Research Assistant
Involved with implementing experimental trials of herbicides/fungicides on crops: Mint, Stone Fruits, Apples, Small Fruits, Soybeans, Wheat, Cotton and Christmas Trees.
- 1981 to 1984 **The Ohio State University**, Columbus, OH
Honey Bee Technician/Apiculture
Repaired equipment. Assisted with research data collection. Kept and maintained Honey Bee Colonies.
- 1980 **Turkenburg Nursery**, Madison, OH
Intern
Worked in all phases of nursery plant propagation. Involved with the day-to-day operations.
- 1975 to 1979 **Day's Nursery**, Findlay, OH
Worked in all phases of nursery production, landscaping installation, and sales.

PROFESSIONAL CREDENTIALS

Certified Professional Horticulturist, American Society for Horticultural Science, Alexandria, Virginia, 2017

Professional Arborist

Rhode Island

Minnesota

Maine: First Class Landscape Arborist

First Class Utility Arborist

New Jersey

Certified Tree Expert, Board of Tree Experts Jackson NJ, August 2016-August 2017

Licensed Tree Expert #639, Board of Tree Experts Jackson NJ, August 2017-present

ISA Board Certified Master Arborist, International Society of Arboriculture, 2013-present (ISA Certified Arborist, 1998-2013)

Expertise in: Abiotic Disorders; Biology; Biotic Disorders; Plant Identification and Selection; Soil Science; Climbing, Rigging, and Removal; Diagnostic Process; Installation Practices; Plant Health Care; Pruning; Soil Treatment; Support and Protection; Water Relations and Irrigation; Inventory and Management Plans; Plant Appraisal; Risk Assessment; Safety; Right-away Management(ROW), Tree Preservation and Wildlife Protection

ISA Certified Arborist Municipal Specialist, International Society of Arboriculture, 2018-present

Tree Risk Assessment Qualified (TRAQ), International Society of Arboriculture, February 2013-2017. Requalified 2017-2023

MARK A. WEBBER, BCMA, TRAQ, LTE #639, TechArborA, CPH, OCMNT
Board Certified Master Arborist

Ohio Commercial Pesticide Applicator 6A, 6C

Wildlife Protector Certification, Wildlife Training Institute, 2014-present

Tree Risk Assessment Qualified (TRAQ), International Society of Arboriculture, February 2013-present

Master Nursery Landscape Technician, Ohio Nursery & Landscape Association (ONLA), Columbus, OH, 2005-present

Expertise in three areas of specialization: Core basics of plant science, Garden Center Management, Plant Grower and Landscape operations and management. Once a person successfully obtains all three specializations, they are granted the Master Technician status.

TechArborA, designated by the Arboricultural Association, United Kingdom

The only Board-Certified Master Arborist in the United States that is designated as a TechArborA in the United Kingdom as of 10/28/15.

EDUCATION

AAS, BS, Horticultural Science, Minor Ag. Business, The Ohio State University, Columbus, OH, 1984

Continuing Education

Utility Arborists to the Rescue!. Utility Arborist. International Society of Arboriculture, January 2018
